POLICY 4: JOBS & ECONOMY

— Creating Jobs, Building Small Business, Growing South Africa —

THE PROBLEM:

- Mass unemployment — 32% youth 60%
- SMMEs collapsing — no support
- No industrialization — local manufacturing dead
- Corruption & tenderpreneurship — kills jobs
- Cost of living crisis — food & petrol unaffordable
- No skills matching — education & industry disconnect

OUR 6-POINT SOLUTION PLAN:

1. **DPA Township & Rural Industrial Parks** — build 100 hubs with free electricity & wifi
2. **SMME First** — 50% of government tenders to SMMEs: youth, women & disabled; R100k grant, not loan
3. **Local Manufacturing** — Make In SA; ban unnecessary imports; support factories
4. **DPA Jobs Levy** — every big company must hire 5% apprentices from local ward or face tax penalty
5. **Cut Cost of Living** — reduce fuel levy; VAT on basic foods 0%
6. **Ethical Economy** — end cadre deployment; transparent tenders; stop corruption

COSTING & FUNDING MODEL

POLICY 5: UNEMPLOYMENT

— Eradicating Unemployment, Restoring Dignity —

⚠ THE PROBLEM:

- South Africa unemployment crisis **32.9%** worst in the world
- Youth unemployment **61%** ticking time bomb
- Graduates sitting at home, no experience
- EPWP jobs exploited for votes
- Grants not jobs — dependency culture growing
- No link between education and work

☑ OUR 6-POINT SOLUTION PLAN:

1. **DPA National Youth Employment Guarantee**
1 million jobs in 3 years via public works, green economy & care work
2. **Skills To Jobs Pipeline**
every ward skills hub linked to guaranteed apprenticeship, no training without placement
